The 9th Annual Asian and Oceanian Myology Center (AOMC) Scientific Meeting

March 25-26, 2010

Venue: Grand Ballroom, Millennium Seoul Hilton, Korea

www.aomc2010.com

- Hosted by The Korean Society of Neuromuscular Disorders
- Sponsored by Korean Neurological Association

Dear Colleagues,

It is our honor and a great pleasure to welcome you to the 9th Annual Scientific Meeting of the Asian and Oceanian Myology Center (AOMC) that will be held on 25-26 March, 2010, in Seoul, Korea.

The AOMC was established in January 2001 in Tokyo to encourage and facilitate collaborative research in the field of myology and other neuromuscular disorders in the Asian and Oceanian region.

The scientific program of the 9th Annual Scientific Meeting of the AOMC will include a useful exchange of advanced information recently developed in the field of myology and neuromuscular disorders. The invited speakers are world recognized opinion leaders in the field of neurology. The main topics will be made available for viewing in the website. There will be poster sessions for free scientific papers. A clinical-pathological case conference will be held with a panel of distinguished experts.

Seoul, as one of the most colorful and dynamic cities of the world, features its long history, unique culture, language and architecture. It has plenty to offer in terms of sightseeing, shopping and tourism. You will enjoy lots of activities in Seoul.

This meeting will no doubt provide all the participants with an excellent opportunity to benefit from sharing their academic ideas, research findings and experiences.

We look forward to meeting you all in Seoul.

With our best wishes,

Young-Chul Choi, M.D., Ph.D.
 Chairman, Organizing Committee
 Member of AOMC Executive Board
